Boys' Education Lighthouse Schools (BELS) Project Stage 2 Reports

The reports from the BELS schools are now available at www.successforboys.edu.au via the *Reports from the Lighthouse Schools* button. The BELS Project generated hundreds of reports authored by the teachers involved. The reports highlight the outcomes achieved for the continued development of boys' education. Interested people are able to select schools by cluster or foci from drop down boxes. Report 4 will provide readers with the findings of each Project.

Below is a summary of Northern Territory participant schools and their foci over the life of the BELS Project Stage 2 (2004 – 2005).
